ProofPak

ProofPak

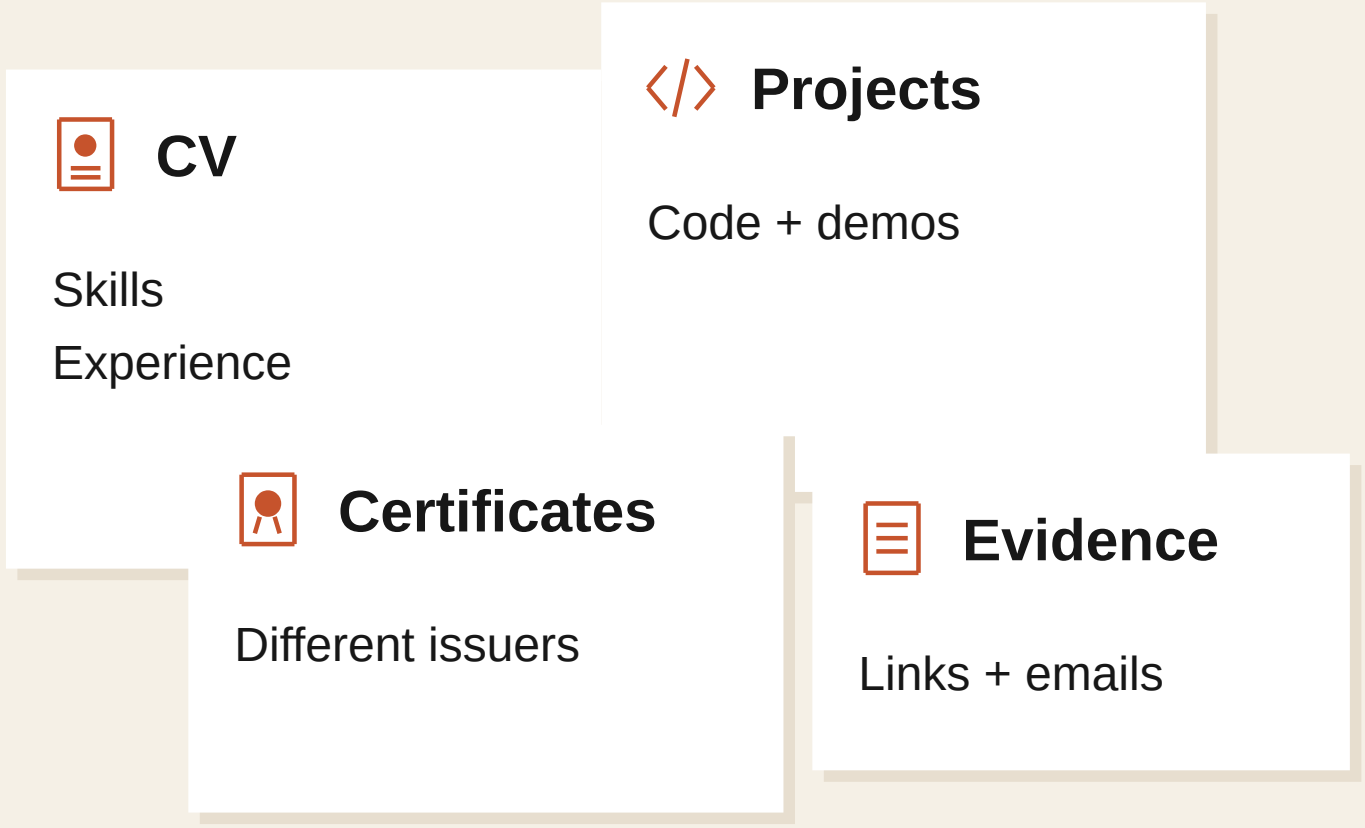

Prove your skills.
Get work.
Build your reputation.

One place to show your skills, prove your work, find opportunities, and get paid.

SAMPLE PASSPORT

Your work is everywhere.
Your proof shouldn’t be.

Scattered evidence

Across files and websites.

Repeated effort

Send the same proof again.

Difficult verification

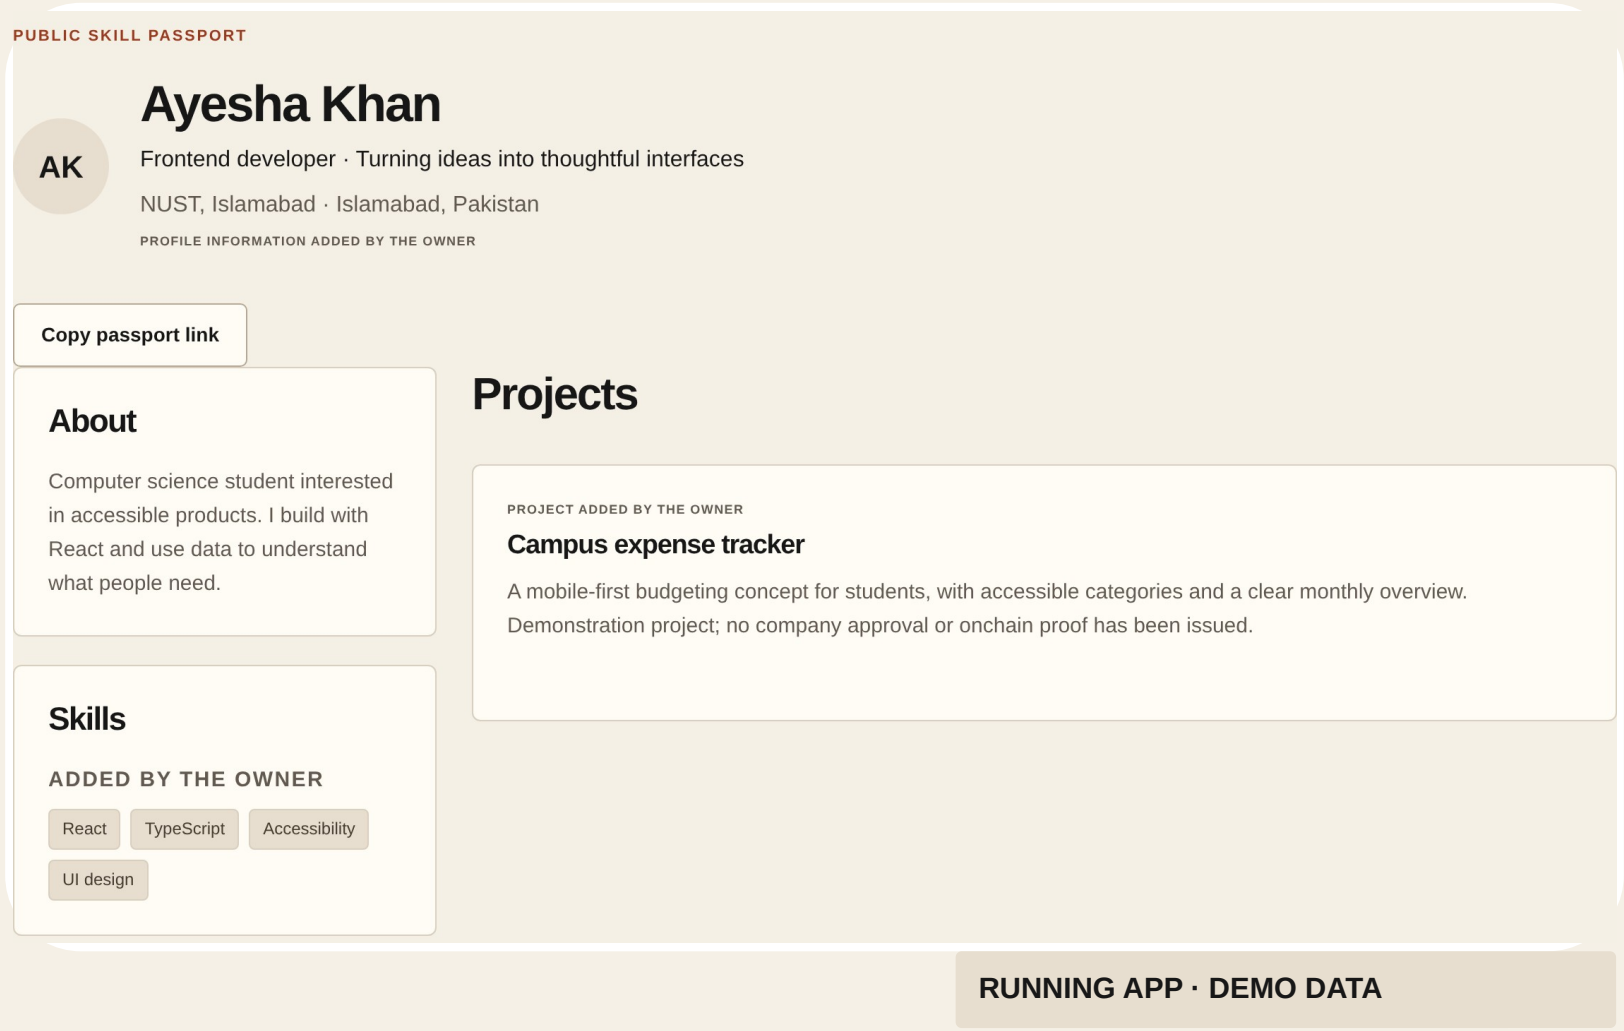

Check the source and status.

One Skill Passport.
A complete picture of your work.

Show your skills.

Prove your work.

Build your reputation.

From your first project to a growing reputation.

01

Create your Passport

Skills, projects and experience.

02

Show your work

Projects, evidence, achievements.

03

Find opportunities

Challenges + paid projects.

04

Complete the work

Submit work.
Get feedback.
Complete milestones.

05

Grow your reputation

Completed work + separately issued credentials.

Milestone reviews + devnet test-USDC payments.

Credentials issued separately by authorized organizations.

Two important jobs for Solana.

Credential integrity

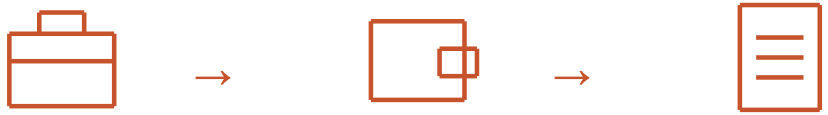

Check whether recorded data changed.

Credential → **Digital fingerprint** → **Solana record**

Milestone payments

Send test USDC for approved work.

Approved milestone → **Wallet payment** → **Transaction receipt**

Low fees. Fast settlement. Publicly checkable records.

DEVNET · TEST USDC | Record integrity does not independently prove skill.

More than a CV.
More than a job platform.
