your work.

Build
your reputation.

RUNNING APP · DEMO DATA

Turn work into a growing reputation.

Credentials are issued separately by authorized organizations.

Two jobs. One fast network.

Keep credential records checkable.

Credential

→

Digital fingerprint

→

Solana check

Move milestone payments.

Approved milestone

→

Wallet payment

→

Transaction receipt

Low fees. Fast settlement. Public receipts.

DEVNET · TEST USDC · Record integrity does not prove skill.

Don’t start from zero with every opportunity.

SEPARATE TOOLS

- CVs list claims
- Certificates show awards
- Work platforms hold jobs

→

ONE CONNECTED RECORD

Skills + evidence
+ opportunities
+ completed work

First project — First credential — Next opportunity — **Stronger reputation**

A working MVP.

A full product journey.
